

Light as it, Free as you.

P2 Nasal Pillows Interface

P2 Nasal Pillows Interface is a brand new mask with minimalism design, including the headgear, it only has few parts, makes it much easier to not only wear but also clean and assemble. Most important, it is so light and comfortable, while wearing you can hardly feel it.

P2 Nasal Pillows Interface

- Minimalism design, light and comfortable
- Ball-and-socket joint, convenient and flexible
- Diffuse multi-vent holes, quiet and peaceful
